**RE: Rosalind E. Griffin as to Steven M. Gursten
AGC File No. 2112-15**

Dear Dr. Griffin:

The Commission is authorized to investigate and when necessary prosecute charges of attorney misconduct. After preliminary investigation and careful review of the materials in this file by the Commission's staff, it has been determined that the matters raised in your Request for Investigation will not be pursued further.

Attorney Gursten has responded to allegations you have made. His answer is being withheld at his request and pursuant to the Grievance Administrator's authority under MRPC 9.113(A). The information Attorney Gursten posted on his blog constitutes protected speech under the Michigan and United States Constitutions. We will therefore take no further action.

Please be advised that this matter is being closed under the authority granted to the Grievance Administrator pursuant to Michigan Court Rule 9.112(C)(1)(a).

I hope that this letter adequately explains our office's position in this matter.

Very truly yours,

Ruthann Stevens
